Joelle married Rob Williams, lead singer of the rock band Zenith, before she was old enough to know better. She has spent years following Zenith around while they struggle to become rock stars. Only now, alcoholism has replaced the talent that once was going to make Rob a legend, leaving Joelle's life spiraling out of control. The problem is there isn't a soul in the world that cares, including her husband.

Nick Lassiter is a powerful business magnate in Seattle, Washington, and was acquainted with Joelle long ago, before she became Joelle Williams. Nick's return to Joelle's life gives her a link to a world outside of Zenith. A world that starts to become far more appealing than the crazy, alcohol dominated one she lives in. Until the fateful night when her entire life implodes and Nick is the only person she has to run to. Joelle soon sees only one thing clearly: Nick Lassiter has become so much more than just a friend who can save her.

When Zenith disbands and Rob tries to get sober, Joelle begins to discover her own identity outside of Zenith, and the person she finds is nothing like the young, fragile girl who needed rescuing when Nick first met her. Who she discovers just might be a woman worth loving.
